As soon as we heard of the many students struggling to find a home in time for the start of the new semester, we decided to open the chapel (now mostly used as an event location) in the Schwesternhaus to 25 students as a place to spend the night during their first week at university. Since we don't have enough beds for everyone, we ask that you bring your own sleeping mat and sleeping bag.

As of now we are offering this option during the **first weeks of the semester (27.09.19. to 28.10.19)** only. We are asking for a **fee of 5€** per student/per night.

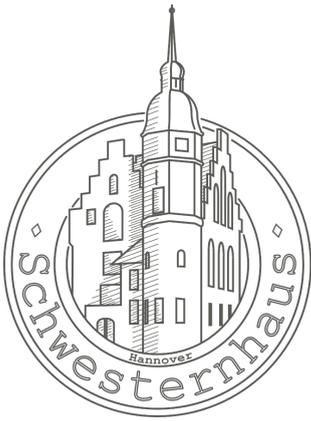

If you are interested, just write an E-Mail or call (6 - 8 pm). You can register on site everyday from 7.30 pm to 8 pm. You will be asked to fill out a registration form. Registration outside of these times is unfortunately not possible!

Further information can be found in this PDF.

For any other questions please contact us by e-mail under [notfallschlafplaetze@schwesternhaus.de](mailto:notfallschlafplaetze@schwesternhaus.de) or by phone under **0152/37636750** (please understand that emails and calls cannot always be attended to immediately).

We are pleased that the Studentenwerk, Asta-Hannover and the TiHo-Asta are supporting us with this offer. A special thanks to the Studentenwerk as they have supported us with expert advice and mattresses.

We wish all students a great start for the new semester and success in their search for a new home!

How much does it cost?	5 Euro per person/per night
Where do I have to go and how do I get there?	Address see above. With tram 4, 5, 6 or 11 to 'Braunschweiger Platz'. Take the Hans-Böckler-Allee east until Schwesternhausstr. (on the right side). The Schwesternhaus is the big yellow house in the Schwesternhausstr. Use the entrance in the Kippstr. and go to the first floor to the chapel.

### Guidelines to the emergency accommodation:

<p>When does the accommodation open in the evening?</p> <p>How long can I stay in the morning?</p>	<p>Due to other events in the chapel that have been previously booked, the opening hours vary. Sometimes you will need to wait (we have an extra common room), sometimes you could join, if you want.</p> <p>You can stay until 8 am</p>
<p>Are beds, mattresses, pillows and blankets available?</p>	<p>Due to the small number of bed sets we have available we ask all guests to bring their own sleeping mat and sleeping bag (or similar). The floor is cold and hard!</p>
<p>Are there washrooms I can use?</p>	<p>Yes. There are three women's and three men's washrooms available to guests.</p>
<p>Are there showers I can use?</p>	<p>Unfortunately we can only open one shower to guests. Please shower in the evening.</p>
<p>Who is responsible for cleaning the chapel, the washrooms and the shower?</p>	<p>We are a self-organised student residence of which our guests are a part of during their stay. Therefore we require our guests to clean-up after themselves daily in all facilities (chapel, washroom, shower). This will be organised on site.</p> <p>If this does not work, we will be forced to end the emergency accommodation offer early, or raise the price.</p>
<p>Is there wifi available for me to use to look for an apartment?</p>	<p>Yes. At registration an internet contract can be signed, upon which you will receive internet access (there is no extra cost for internet use).</p>
<p>Is there a place to store my belongings during the day?</p>	<p>Yes. Personal belongings can be stored on the stage in the chapel. However, the chapel is locked from 8</p>
